

AMANGANI

Imagine...

A dining experience where the cuisine is in complete harmony with its surroundings. A haven away from the maddening crowd where family and friends gather, couples retreat and menu selections change seasonally utilizing the freshest produce and regionally produced organic foods available to complement an award-winning wine List.

This is The Grill at Amangani specializing in steaks, chops and seafood located on East Gros Ventre Butte overlooking the majestic Teton Mountain Range. We invite you to our home for a memorable meal in the Grill or light snacks and drinks either fireside or on our mountain view terrace. Receptions or private parties can be arranged in our Takoda room.
